High-Performance AEROSOLS  
Formulated For The Automotive Industry

## Pioneers In Aerosol Products

- User Friendly
- No Evaporation or Dilution
- Convenient & Cost Effective
- Highest Quality Aerosols Available Today

It's OK to Spray  
No Ozone Depleting Chemicals

- **No. 11 D-100 Disinfectant Spray.** A powerful germicide-fungicide. Kills mildew. Eliminates unwanted odors on fabric.
- **No. 31 Crazy Clean All-Purpose Cleaner.** Cleans all washable and painted surfaces like crazy. Simply spray on and wipe off. Cleans and deodorizes.
- **No. 41 Auto Glass Foaming Windshield Cleaner.** Custom formulation designed to be compatible with all automotive brand urethanes. No ammonia, no silicone, no alcohol; low VOC's. Meets C.A.R.B. (California Air Resource Board) standard for VOC emissions. Cleans and preps glass instantly.
- **No. 50 Glass Cleaner.** Cleans in seconds. Guaranteed to leave no film. Removes grime, tape residue, light fresh paint overspray from glass. Non-caustic; non-flammable. Non-ammonia formula dries fast.
- **No. 190 Malodor Neutralizer.** This malodorant, deodorizer and air freshener is specially formulated to eliminate offensive odors while in the air. With its dryness, it can be used safely on surfaces to fight odors trapped in all kind of fabrics without staining or fallout.
- **No. 703 Wax & Shine.** A specially formulated product that contains Carnauba Wax and DuPont ZONYL®. It is specially formulated for today's clear-coat finishes providing a deep, lustrous shine while protecting at the same time.
- **No. 731 Velour Shampoo & Interior Cleaner.** Formulated for the automotive detail specialist. Cleans velour seats, cloth seats and carpets without leaving the fabric wet.
- **No. 732 Clean-Up Dry Cleaner.** Spray on, wipe clean. Removes sealants, adhesives, uncured urethane, grease, road tar and fresh paint from upholstered fabrics, rugs, painted surfaces, metals, glass, etc.
- **No. 767 Industrial Silicone Spray Low Viscosity.** A versatile silicone spray that combines the performance of a lubricant & release agent in one economical product.
- **No. 802 Chewing Gum Remover.** Unique freeze action effectively removes gum, wax, putty and other gummy substances. A vital necessity for auto detailers.
- **No. 869 Foaming Rug & Upholstery Cleaner.** Releases ground in dirt in rugs, carpeting and upholstery, including velour. Perfect for spot cleaning.
- **No. 879 Instant Carpet Spot Remover.** A water based universal instant carpet spot remover that cleans, penetrates and deodorizes, while leaving no residue behind.
- **No. 932 High Gloss Tire Protectant & Cleaner.** An excellent product for the cleaning and protection of tire surfaces from the suns ultra violet rays which can cause fading, cracking and deterioration.
- **No. 936 Instant Shine.** The ultimate "final detail" product. For tires, vinyl interiors, bumpers, bumper guards, body mouldings, door jambs, engine compartments, air conditioner ducts, etc.
- **No. 938 Non-Silicone Instant Shine.** A convenient ready-to-use aerosol dressing that creates a high-gloss finish on rubber, plastic, vinyl and most other surfaces. Designed for ease of use in all applications. It shines and protects against weathering and ultra-violet rays without the use of silicone.
- **No. 980 Fabric Protector.** Protects fabric from stains, dirt, grease and water. Effective on both water and oil-based stains and soils.
- **No. 990 Vinyl & Leather Cleaner.** Contains oil of mink for that finished touch of elegance. Retards soiling; protects original finish. Restores "like new" appearance to vinyl tops and white walls.
- **No. 995 Vinyl Protectant.** Beautifies and protects vinyl tops, seats, bumpers, dashboards, tires, hoses, door panels and side mouldings. Protects these parts from oxygen, ozone and ultra-violet rays.
