Herkules Warranty Policies

Herkules Limited Warranty – For Herkules Paint & Body Products

We warrant the Paint Gun Washers, Paint Can Washers and rinse pumps for a period of 12 months. We warrant the Herkules 338 pump for 3 years from initial purchase. All other equipment in this price list is warranted for a period of six months to the initial user against defective workmanship and materials from the date of purchase. This warranty does not apply to equipment damaged from accident, abuse, overload, misuse, negligence, improper installation, abrasive or corrosive materials, or shipping damage. In the event of failure, the defective item must be returned, freight prepaid to our warehouse for repair or replacement with proof of purchase date. An RGA number (Returned Goods Authorization) or prior approval in writing must be obtained before any returns will be accepted. We reserve the right to determine whether the cause of failure is due to defective material, workmanship, normal wear, and/or other causes.

Herkules Limited Liability Warranty – Vehicle Lifting Systems and Crushing Equipment

The limited liability warranty applies to the pneumatic chambers of our Herkules lifts and to the initial user against defective materials for a period of five years from the proof of purchase date. The limited liability warranty applies to other components of our Herkules lifts to the initial user against defective materials for a period of one year from the proof of purchase date.

This warranty does not apply to equipment damaged from accident, abuse, overload, misuse, negligence, improper installation, abrasive or corrosive materials, or shipping damage.

In the event of failure, the defective item must be returned, freight prepaid to our warehouse for repair or replacement. If repairs are required Herkules will not be liable for these repairs to take place in the field regardless of the application. Proof of purchase and date of purchase must be confirmed. An RGA number (Returned Goods Authorization) and written approval from Herkules must be obtained before any goods can be shipped to Herkules. Herkules reserves the right to determine whether the cause of failure is due to defective material, workmanship, normal wear, and/or other causes.

Herkules Limited Liability Warranty - Infrared Curing Systems

The limited liability warranty applies to the infrared curing equipment (with the exception of light tubes and gas shock assembly) to the initial user against defective materials for a period of 1 year from the proof of purchase date.

This warranty does not apply to equipment damaged from accident, abuse, overload, misuse, negligence, improper installation, abrasive or corrosive materials, or shipping damage.

In the event of failure, the defective item must be returned, freight prepaid to our manufacturing plant for repair or replacement. If repairs are required Herkules will not be liable for these repairs to take place in the field regardless of the application. Proof of purchase and date of purchase must be confirmed. An RGA number (Returned Goods Authorization) and written approval from Herkules must be obtained before any goods can be shipped to Herkules. Herkules reserves the right to determine whether the cause of failure is due to defective material, workmanship, normal wear, and/or other causes.
